For those of you that have attended the Stargazer in the past you know that we have rarely been blessed with warm weather and that once the sun goes down it usually gets very cold. In an effort to speed things up a little we have come up with some minimum or maximum entry times and measurements. These are not set in stone, and we are open to discussion, but they were derived from results of several of the past season's Stargazer Invites. Maximum entry times for the 4x800, 1600, and 3200 are listed above. Starting measurements for field events are listed below. Throwing events will remain at 4 throws for everyone and we will just have timed finals in running events.

Girls High Jump – 4ft 4 in
Boys High Jump – 5ft 4 in

Girls Long Jump – 12ft 6 in
Boys Long Jump – 16ft 6 in

Girls Pole Vault – 6ft 6 in
Boys Pole Vault – 8ft 6 in

Boys Shot Put – 33ft
