Registration instructions for the North Harrison Middle School Cross-Country INV. on Thurs, Aug. 29, 2024. Please get this to coaches ASAP. Email kcooper@nhcs.k12.in.us to confirm that you will be coming.

Go to <https://www.milesplit.com/registration-landing> where you will claim your team.

You will see a blue log-in button, click it.

Scroll to the very bottom of the next page to pop-up, and click "sign-up." If you have used Milesplit at another school, you can use your old credentials to log-in.

Once you sign-up and create an account, you can then claim a team. The button is pretty easy to see. Claiming your team may take a day or two. Once this happens, you can load your roster by following the instructions. The site will lead you through each step.

Once you have your team claimed and rosters loaded, you can use the calendar to find your meet, or go to:

<http://northharrisonmiddle24.milesplit.com> Coaches will just register your athletes for one of the three events (girl, boy, co-ed/open). **Password is: Cougars24**

****** Athletes must be entered on Milesplit by 8:00 PM on Aug. 27. Remember to claim your team a few days prior to registering if you have never used Milesplit before. It usually takes several days. The earlier the better so we are not scrambling to get runners registered at the last minute.**
